

abiZa Prime

- abiZa Prime is a value-added functionality which allows the users to work a customised plan with us. If you need specific requirements that do not cover in our fixed rate services, or, if you prefer meeting in person and getting tailored plans according to your requirements, abiZa Prime is the perfect solution for you.
- With a slightly premium cost, you will get services that are mentioned in our portal plus additional services that come with variable cost like Income Tax Filing and Litigation matters.
- abiZa Prime is simple to access. Fill the abiZa Prime form and our executive will contact you for setting up a physical or e-meeting. We will note your requirements and provide you with a custom-made plan and cost. With abiZa Prime, you will have your own remote business team without investing into several full-time employees.
